CUSTOMER SERVICE COMMITMENTS

FOCUSING ON PROVIDING EXCELLENT CUSTOMER SERVICE

CUSTOMER SERVICE COMMITMENTS

INTRODUCTION

DGHP is committed to providing excellent customer service that consistently exceeds the needs and expectations of our customers. We aim to deliver high quality services that are accessible, efficient, responsive and offer choice to produce positive outcomes for customers, based on their needs and respecting diversity in all that we do.

There are certain standards of service you have a right to expect when you are in contact with members of staff and the contractors who are appointed by us.

We call these standards our 'customer service commitments'.

These commitments ensure that we meet our own service delivery objectives and those of the Scottish Housing Regulator.

The commitments are the responsibility of all staff and we encourage everyone in DGHP to put the customer at the heart of everything we do.

To help us ensure that we deliver these commitments we will monitor our performance using satisfaction surveys and customer feedback. We will also assess the performance, attitudes and behaviours of our contractors' staff.

DGHP is committed to continuous improvement and by listening to what our customers tell us we can deliver services that meet your needs.

We hope you always experience the levels of service this document describes. If this is not the case at any time, please contact us on 0800 011 3447.

WHAT DO WE MEAN BY EXCELLENT CUSTOMER SERVICE?

Excellent customer service means providing services that consistently exceed our customers' expectations.

We will do this by:

- Listening to what you tell us to deliver appropriate services
- Being efficient, reliable and professional
- Getting it right first time and delivering our promises
- Taking responsibility for resolving problems when they arise
- Being responsive and prompt in our communications
- Having staff with the knowledge to do the job
- Providing a personalised service to meet each customer's needs
- Striving constantly to improve what we do.

In order to achieve this level of service every member of DGHP's staff must know and understand our service delivery principles:

1. Everyone is a customer
2. All customers are important and must be kept informed
3. If we can't help, we will find someone who can
4. We welcome comments and complaints
5. The customer may not always be right, but we must always be polite and courteous
6. When we get it wrong, apologise and put it right
7. Treat every customer as you would like to be treated
8. Don't make promises you can't keep but make sure you deliver the ones you do make
9. Always do our best for the customer
10. To every customer, the member of staff is DGHP.

WHAT IF WE DON'T DELIVER?

If at any time you feel that DGHP is not delivering these commitments tell us!

To do so:

- Call the Customer Service Centre on 0800 011 3447 or 0345 606 3447
- Visit one of our local offices in Dumfries, Stranraer or Annan
- Write to the Customer Resolutions Officer at Grierson House, The Crichton, Dumfries DG1 4ZS
- Email us at customerservice@dghp.org.uk
- Private message us on social media via facebook (@teamdghp) and twitter (@DGHP_hq)

We aim to put things right first time, all of the time. Therefore if you tell us that we have not delivered these commitments we will aim to put the matter right straight away.

An example of this would be where a member of DGHP staff had arranged to visit you at a specific date and time and failed to turn up. We would apologise for this failure in service delivery and offer an alternative appointment as soon as possible.

If the matter is still not resolved to your satisfaction we have a new and improved complaints policy that allows customers to pursue the matter further.

Further information on our Complaints Policy is available from the Customer Service Centre, local offices or our Corporate Business Unit.

CUSTOMER SATISFACTION SURVEYS

DGHP is committed to ensuring tenants have the chance to give us independent feedback on the quality of services and their satisfaction with this.

An independent company, Research Resource, will carry out these surveys for us until 2020. We have a large-scale survey takes place every three years, and on an ongoing basis they will carry out a small sample of surveys relating to various services, including repairs, new tenants and antisocial behaviour.

If you would rather not take part, please let the organisation know when they call you and you can be removed from the lists.
